2. Please sign the consent below so that we can take appropriate action on behalf of your child. Return the signed consent to the facility immediately. We will take this consent with us to the emergency centre.

Photo Consent

During school lessons, activities, and events, our staff and parents like to take photos to chronicle the year. We compile these photos to share in an online folder for parents and students at the end of each term. We also use these photos to promote and showcase our school through social media, our website, and occasionally newsletters or blogs. By signing our photo consent you are agreeing that we may use pictures of your child for these purposes.

For those preferring not to sign we are happy to accommodate. Please communicate your wishes with staff on the form provided (i.e. taking photos is ok, but you don't want them on facebook, or if you'd rather no photos be taken at all).

I hereby give permission for images of my child, captured during regular and special Knowlesville Art & Nature Centre activities through video, photo and digital camera, to be used solely for the purposes of Knowlesville Art & Nature Centre promotional material publications, and waive any rights of compensation or ownership thereto.
