Knowlesville Art & Nature Forest School Offers

The Parent and Child Program for parents & their children ages 5 and under

At the Parent and Child program, parents accompany their young children to a morning session at our nature school. While the children play, their parents/guardians can share their caregiving experiences and ask questions. It is a wonderful opportunity to learn a bit more about our Art & Nature School, and meet new people. We will enjoy circle-time, a forest walk, songs, stories, snack and free play along side our small but bustling Forest Kindergarten class the 'Chipmunks'.

* What to Bring: Dress for the weather expected for the day, pack a small backpack that your child can comfortably carry with a water bottle, and a small healthy snack for you and your child. We will be in the great outdoors rain / snow or shine!
