

2024-2025 Knowlesville Art & Nature Centre: Saturday Enrichment Registration Form

Our Enrichment Program runs throughout the school year and is open to pre-teens & teens (ages 12 and up) interested honing their hands on skills and having fun outdoors through Art & Nature Experiences. Each term has four sessions. The Fall and Spring Terms run bi-weekly and the Winter Term runs monthly.

Many of our days are spent in the woods, where students are given a chance to develop and deepen their connection with the natural world through projects such as building and cooking over a fire, wood carving, and learning to use wild edible and medicinal plants. This year, we will focus on mentorship with local artists, land-based businesses and outdoor pursuits. We will also have some days onsite in Knowlesville and some field trips in the wider Western NB area.
